

WEEK 5 OF 4 · Spirit

Script 5: The Eye of the Storm (Equanimity)**Theme: Inner Peace Amidst Chaos**

Rationale: A hurricane spins with massive power and destruction — but in its direct center, the Eye of the Storm, it is perfectly still. The Spirit must remain calm even when the external world is violent or chaotic. This visualization connects the student to their untouchable inner core.

Request meditation stance.

"A hurricane spins with massive power and destruction. But in the direct center — the Eye of the Storm — it is perfectly still. Martial arts training can be chaotic. Sparring is chaotic. Life is chaotic.

Settle into your stance. Imagine the chaos of a fight swirling around you — the noise, the movement, the stress. Imagine a heavy anchor dropping from your mind down into your chest. Feel the weight of it settling there. Find your Eye of the Storm. (Pause for 15 seconds.)

No matter how fast things move on the outside, this spot on the inside does not move. It is silent. It is watchful.

When you spar today, try to fight from this quiet place. Let the storm rage around you, while you remain the calm center."
