

Young Warriors Curriculum (Ages 3–6)

Module: SPIRIT — Month 4

These scripts simplify the concepts from this module into playful, tangible games that young children can understand and enjoy. Ages 7–11 may use these scripts with slightly more mature framing. Ages 12+ use the standard adult scripts.

Script 1: The Friendly Heart

Goal: Emotional regulation and self-compassion.

"Put your hands over your heart. Feel it beating? Thump-thump, thump-thump. Sometimes we get sad or mad when we make a mistake. That is okay.

Give yourself a big hug. Squeeze tight! Say this with me: 'I am strong. I am kind. I am trying my best.'

Rub your heart to make it warm. Your heart is your best friend. Be nice to it!"

Script 2: Dragon Fire

Goal: Connecting to inner energy and Spirit.

"Who has a dragon inside them? Deep in your tummy, imagine a little ball of fire. It is warm and bright.

When we breathe in, the fire gets bigger! When we punch, we let the dragon say 'Hah!' Ready?

Breathe in (make fire big)... Punch and say HAH! One more. Breathe in... make the fire huge... HAH! That is your Spirit power!"

Script 3: Water Wiggle

Goal: Flow and moving without hesitation.

"Statues are hard and stiff. But water moves! Be like water. Wiggle your arms like waves. Wiggle your whole body!

If there is a rock in the river, does the water stop? No! It goes around! I am going to stand here like a rock. You have to flow around me! Don't bump me! Just flow like water!

(Let kids run or move gently around the instructor.) Smooth, like a river. Keep flowing!"
